

Dear Parents/Guardians,

As you may be aware, Hopewell's curriculum consists of a great deal of community-based instruction. Therefore, throughout the school year, your son/daughter will be going out into the community for various areas of coursework (including but not limited to public libraries, the YMCA, stores, etc.). The students are transported by school vans, supervised by Hopewell staff.

Please complete the below-attached permission slip and have your child return it to his/her school. If you have any questions please feel free to contact Hopewell at (815) 463-9655.

Thank you for all your continuing support in your son/daughter's educational success.
