

Dear Parents/Guardians,

Just a quick reminder that this school year we will continue to serve Hot Lunch every school day. Lunches will be provided through Hope's Kitchen (via premade menus, a copy of which is given to the students). Lunches are \$2.50.

If your student is eligible for Free/Reduced Lunch through your home school district, please provide the necessary documentation verifying that your child is approved. The form is available from your home school and should be turned in to them for determination. Students who are participants of the Free/Reduced Lunch program are entitled to a single-serving of Lunch.

Payment must be returned the last day of the following month's lunches.

Please sign below indicating that you have read and understand the lunch policy here at Hopewell/Bridgepoint Academy.

I have read and understand the lunch policy at Hopewell/Bridgepoint Academies.
